

### Officers Assaulted While Stopping Brawl

Both a Grayling City Police officer and a Crawford County Sheriff Deputy were assaulted while trying to break up a fight at a large party at a residence along Arthur St. on the south side of Grayling.

Police received a call about 1:36 a.m. Saturday, Jan. 19, and arrived at the scene to find men fighting in the street. One subject assaulted an officer and when police tried to arrest him, two others tried to interfere with police. A fight broke out and two Grayling men and one Houghton Lake man were arrested for drunk and disorderly and resisting, opposing, and assaulting a police officer. One suspect was also charged with malicious destruction of police property.

### Fire Hits Cabin at Camp AuSable

A cabin at Camp AuSable and its contents were extensively damaged Friday, Jan. 18, by a fire that started about 8 p.m. A sheriff dept. report listed the cause of the fire from a gas heater used to dry clothes. The Grayling Fire Dept. and Consumers Power were called to the scene.

Another fire damaged a 1981 Buick two-door driven by Kevin Grove, of Vanderbilt. Grove said he was driving north on I-75 when he smelled something strange. He pulled off the expressway at the Grayling exit and turned into the Holiday Inn parking lot. When he opened the hood of the car he saw flames. Grove tried to smother the fire but had no success. City police and sheriff deputies tried their fire extinguishers on the fire but it burned until the Grayling Fire Dept. put it out. The vehicle fire occurred about 5:26 a.m. Saturday, Jan. 19.

### Winter Carnival Parade Feb. 2nd

This year's parade is shaping up to be one of the best ever.

According to parade chairman, Bill O'Brien, there are more marching groups, floats, clowns, mobile units and dignitaries than last year.

The parade will begin at 11:00 a.m. Saturday, February 2, following Michigan Ave. south through downtown Grayling.

Anyone wishing to participate in the parade, please contact Bill at 348-7432.

### Herb Deromedi Featured Speaker At Carnival Kick-Off Dinner

Central Michigan University football coach Herb Deromedi will be the featured speaker at the Grayling Winter Sports Carnival Kick-Off Dinner Thursday, January 31, at the Grayling Holiday Inn. Cocktails begin at 6:30 p.m., dinner starts at 7:30 p.m., and the program begins at 8:30 featuring Deromedi and the new Miss Grayling.

### 5th Annual Beaver Creek Challenge X-C Ski Race Set For Feb. 3rd

The AuSable Valley Nordic Ski Club is sponsoring the 5th annual Beaver Creek Challenge Nordic Ski Race on Sunday, Feb. 3. This year's race will be held at the North Higgins Lake State Park Trail Network, located about 10 miles south of Grayling.

The 1985 Beaver Creek Challenge includes a 6 and 12 Kilometer (Km) Adult Race and a special 2 Km Junior Race for Kids, ages 5-10.

The entry fee for this year's race is \$7.00 for adults (\$10.00 after Jan. 28, 1985). The 2 Km Junior Race for kids (ages 5-10) is free. Proceeds, if any, help the AuSable Valley Nordic Ski Club improve cross country skiing in the area.

The Junior Race will begin at 12:30 p.m. and the 6 and 12 Km Adult Races will start at 1:00 p.m. Race day registration will start at 11:00 a.m. at the old Pine Cone Collection Building near the entrance of the trail network.

### Well-Known Area Fly Tying Instructors Host Class

The Fly Tying course offered by Trout Unlimited will meet at the Grayling High School library from 7:00 p.m. to 9:00 p.m., on Tuesday nights beginning January 22, 1985. The cost for the six weeks' course is \$10.00 and this includes use of equipment and free materials.

The schedule of guest instructors and patterns for the beginning class is as follows: January 22, Mike Wieland, Wet & dry skunks; January 29, Tim Neal, Nymphs; February 5, Paul Mesack, Streamers; February 12, Rusty Gates, Caddis & Stoneflies; February 19, Wayne Stockton, Brown drake and hex, and February 26, Dick Bittner, Traditional dry flies.

There will also be a "round table" for intermediate and advanced tiers providing fellowship, exchange of ideas and tall tales, with some informal instruction by Bill Koernke.

### Citizen of Year Dinner Jan. 23rd

The Grayling Chamber of Commerce will be sponsoring a special dinner January 23, 1984 at the Arrowhead Inn in honor of the Citizen of the Year.

This year's nominees are Dan Priestap, Larry Raymond, Marty VanDeVen and Ernie Dawson. The person chosen as citizen of the year will be announced at the dinner.

Tickets are \$8.50 per person. Menu choice will be sirloin steak, white fish, pork chops or fried chicken. Time of the dinner will be 6:30.

Tickets are limited to 100 so don't miss out! For more information call 348-7123 or purchase your tickets at the Chamber of Commerce, Donna Masker, Old Kent State Bank, or Sherry Haag, Commission on Aging Offices.

### Pancake-Sausage Breakfast at K of C

The Knights of Columbus Council #1982 will be having a delicious Pancake & Sausage Breakfast on Sunday, Feb. 3, 1985 at the K of C Hall on Norway St. beginning at 8:00 AM to 1:00 PM to help celebrate the Grayling Winter Sports Carnival. Prices will be \$2.50 for Adults and Children 13 and over and \$1.50 for children 12 yr. and younger. There is parking available for snowmobiles. Menu will include pancakes, sausage, juice and coffee.

**M.A.S.H. PLAY** — The M.A.S.H. Players, made up of Mercy Hospital employees and family members, will perform the play M\*A\*S\*H\* Feb. 23. Key cast members are (back, left) Mike Hess as Hawkeye, Jerry Barnett as Duke, Deryl Holmes as Colonel Henry Blake, (front, left) Jim Packard as Frank Burns, Shirley Hess as Hot Lips Houlihan, and Rosemary Shirkey as Radar. (Adams Photography)

## Mash Bash & Play Set For Feb. 23 Here

The M.A.S.H. Players, made up of Mercy Hospital employees and family members, will be performing the play M\*A\*S\*H\*, written by Tim Kelly, February 23, at 7:30 p.m. at the Joseph Stripe Auditorium in the Grayling High School. The play is a two act comedy set in Korea during the Korean conflict.

The play is being directed by Richard Wadsworth, sales representative for WGRY radio station and experienced theatre director. Key cast members include Jim Packard as Frank Burns, Father Bill Rabior as Father Mulcahy, Shirley Hess as Major (Hot Lips) Houlihan, Rosemary Shirkey as Radar, Mike Hess as Hawkeye, Jerry Barnett as Duke and Deryl Holmes as Colonel Henry Blake.

Mercy Hospital is sponsoring the play to raise funds for the surgical department. Deryl Holmes, director of public relations, said if the play is a successful fundraiser, it may become an annual project for the hospital.

Advance ticket sales start January 28 and will be available through the public relations department or through a cast member. Tickets will be \$4 in advance of the play, and \$5 at the door. Judging from the response received from the play, a sell out of advance tickets is likely, Holmes said.

The play will be performed only the one night with a M.A.S.H. Bash to follow. The Bash will be held at the Knights of Columbus Hall in Grayling. Snacks and non-alcoholic refreshments will be served. The public is invited.

The highlight of the party will be the drawing for eight prizes from the Pine View Surplus and Supply store in Federic. Tickets are on sale through the public relations department and cast members at one dollar each.

Pine View Surplus has agreed to furnish the uniforms and military equipment to give the play a true military atmosphere. Additional volunteer help has come from Adams Photography and the Image Factory in Gaylord.

## 100-Mile Dog Sled Race Starts Here

A 100-mile dog sled race from Grayling to East Tawas will start at 9 a.m. Friday, February 1, at the Red Barn at the corner of M-93 and M-72.

The race is one of three races to East Tawas in the Michigan Sled Dog Cross Country Challenge sponsored by the Michigan Sourdough Long Distance Mushers.

The first race of the series begins at Empire 9 a.m. Thursday, Jan. 31, and will cover 270 miles to East Tawas.

Another race will start at 9 a.m. Saturday, Feb. 2, at Mio and will cover 62 miles to East Tawas.

The finish line for all three races will be on the ice near East Tawas at the site of the Perchville U.S.A. winter carnival.

This is the first year for the Michigan Sled Dog Cross Country Challenge and racing teams covering the long race from Empire to East Tawas will compete for more than 65 hours. For more information on the races call 616/457-9496 (Bob Stoll) or 616/887-9477 (George Brew).

## Walt Disney Theme For Ice Sculptures

Walt Disney characters will be the theme of the 60th Annual Grayling Winter Sports Carnival Ice Sculpture contest.

First prize for the winning sculpture is \$75, second place is worth \$50, and third place \$25.

Individuals, organizations, and businesses are eligible to enter the contest. Sculptures will be judged on January 30th. For more information about the contest call Jim or Barb Jarvi at the Grayling 7-Eleven.

In 1941, one of the biggest ice sculptures ever built here or in northern Michigan was built by John Deckrow at Hanson Park. A Statue of Liberty ice sculpture was 62 feet high with a base of ice larger than a tennis court. The ice from the statue was reported to have lasted into July that year.

## \$500 Medallion Not Found Yet

With medallion hunters checking all over Crawford County, the \$500 prize still was not discovered as of Tuesday afternoon.

Published below are the first five clues of 12 given out during the second annual Grayling Winter Sports Carnival Medallion Hunt.

Later clues will give out more information about the medallion's location, but pieces of early clues must also be used to find the medallion.

The medallion hunt started Saturday. The medallion is hidden on public property and there is no need for hunters to cross private property.

If you find the medallion, take it to the Avalanche office or either Grayling radio station to be declared the winner. All that is needed to look for the medallion is a \$1 winter sports carnival button and persistence.

Here are the first five clues to the location of the medallion. Next week's Avalanche will publish the remaining seven clues.

1. Gone are the days of the obvious being clear, From here on out you should probably steer The opposite direction that we tell you to go. I can be found southeast of a Cadillac Eldorado.
2. On the way here, you'll hear no frogs croak Because you're near the land of good ole Sheriff Smoke. But if it's fortune you're after, you'll just have to be, ten paces south of an old giant V.
3. Smoke said not here, you've misjudged the scrolls. You must first find the big totem poles.
4. Experienced hunters may need shovels, If I'm found near the twin span in Lovells. But others may find me sipping on white wine, Within sight of an old red pine.
5. Everyone knows a photographer named Wakeley, With his camera equipment he won't be found lately, Taking pictures of water either moving or still, With one of these clues you'll earn a big bill.

## Downhill Canoe Races Highlight Grayling's 60th Winter Carnival

Like ducks out of water, aluminum canoes will waddle down the ski slopes of Grayling's Hanson Park highlighting the 60th Annual Grayling Winter Sports Carnival Feb. 2-3.

A \$50 cash prize is awarded to the first canoe to go through two flags 50 feet apart at the bottom of the hill. Lucky contestants wipe out at the top of the hill before they pick up speed in a runaway canoe they have no way to steer.

A celebrity downhill canoe race has been added for 1 p.m. Sunday, Feb. 3. Radio and television personalities from TV 9 & 10 from Cadillac, WZZM of Gaylord, WJGS and WHGR of Houghton Lake, WKLT of Kalkaska, and WGRY and WQON of Grayling are invited. The 2 p.m. regular downhill canoe races are open to everyone.

The downhill canoe races are part of a whole menu of winter sports offered at Michigan's oldest winter sports carnival.

Traditional sporting events offered include downhill ski races, a figure skating show, a pike, perch, and bluegill fishing contest, and a dog sled race.

Newer sporting events added to the carnival include a snowmobile poker run, basketball tournament, cross-country ski poker run, and a snowmobile safari.

Unusual events beside the downhill canoe races are miniature snow golf with hockey sticks, tennis balls, and outdoor snow obstacles, snow softball, and giant intertube races downhill open to children.

There's also an Up the Downstream novice canoe race on the AuSable with a first prize of \$50.

The winter sports carnival also features an ice sculpture contest with a Walt Disney characters theme this year. An annual medallion hunt has a \$500 prize open to anyone.

Special children events are scheduled both Saturday and Sunday in addition to pony rides, sleigh rides, skating, cross-country and downhill skiing at Hanson Park.

A parade starts events Saturday in downtown Grayling at 11 a.m. and a beauty and talent pageant as well as a Euchre tournament are also included in the carnival.

The Avalanche will publish a complete schedule of events next week.

## Miss Grayling To Be Crowned on Saturday

## From Our Corner...

This will be another weather report for our summer friends who flock to the south and west to escape the winter months and also to serve for the archives and posterity...a cold wave gripped northern Michigan over the weekend with the mercury dipping to near 13 below with a chill index of around minus 40...Grayling and our immediate area escaped the snowfall that hit the coastline of Lake Michigan and the Upper Peninsula when on Saturday virtually everything in Traverse City was closed down including the Cherry County Airport that cancelled flights until possibly Sunday afternoon at 4:00 o'clock, they had something like 18 inches of snow Saturday and were due for another 16 inches Saturday night and Sunday...what our area got mostly was drifting snow and bitter cold winds...the weatherman has promised a warming trend starting about Tuesday as the cold blast moves on into the New England states, they are welcome to it, if we had our way it could leave Sunday afternoon...we got a bit chilled walking down to the office Sunday afternoon, there was no loitering along the way, in fact we were bundled up so that only our glasses showed...we had just read to watch out for frostbite and to cover your body as much as is able, and we did...

Ironically we have just been looking at the Happenings in the 23 Years Ago column and came across these two items...in the issue of January 25, 1962 last Friday the Thermometers registered from 18 to 26 below zero in the county, and in the issue of January 27, 1916 there was this. Peculiar weather for January. Already there have been four thaws this month and at this writing the sleighing is gone...I'll take the 1916 weather any day...

Jimmy Ott, retiree from Mercy Hospital and now residing at Higgins Lake stopped by the office last week to let us know that the fish are really biting and they are big, he said, at Higgins Lake...he asked about his friend the retired Railroad man, Irvin, he said he just can't seem to catch up with him when he's in the big city of Grayling...I guess the two of them used to tell each other lies when they both worked at Mercy Hospital, and Jimmy said he hadn't heard a good one for a long time...it's too bad he misses Irv, he has bunches of them...Jimmy invited us to come down and try our luck at fishing with him, the problem is I know nothing about the sport, and don't think I have the clothes to dress warm enough...besides we don't care to much for fish except the ones that don't have any bones, like Tuna out of the can or Cod at the Hotel, no bones to worry about...

We waited until Monday to finish this turkey to see what the weather brought...it's hard to believe but the temperature has climbed to 25 but, the wind is still gusting and there is alot of drifting...the Crawford AuSable Schools were all closed Monday because of the road conditions from over the weekend and it is still going on...we'll take the 25 over the sub-zero any day...

We didn't have any money riding on the Super Bowl Sunday, so all we did was lay back and enjoy the game...I imagine anyone that did have some cash on it had a few cardiac arrests at times but, what we saw, Joe Montana had the game well in hand after the first quarter...

Idle thought: R.J. hasn't been around for so long we can hardly remember what he looks like...we used to see him quite often when he was a downtown merchant at the ice cream parlor...we would like to have him stop and let us know how he made out at Christmas time when he said he might take in Atlantic City a couple nights while he was out to his beloved jungle...he spent Christmas in Louisiana with his folks at his brother and wife's home then drove his parents back to New York...

This does it for this week, so we bid T.J., Stefany and Amber goodnight, and to all of our readers have a nice weekend in the snow if you're an outdoor lover...after the Winter Sports Carnival weekend, Think Spring...

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

### 23 Years Ago January 25, 1962

The Grayling High Vikings remain in a tie for the lead in the Northern Class C Conference basketball race although they came up with a defeat and a win during last week's play.

Mr. and Mrs. Earl Whaley are happy to announce the arrival of a son, Mark David, born January 18. He weighed 9 lbs. His grandparents are Mr. and Mrs. William Moans of Lansing, and Mr. and Mrs. Charles Hobbs of Jackson. Otto Keschull of Memphis, Tenn., is a great grandmother.

Mrs. Lloyd Berry has a clipping from one of the downstate papers showing her son Lloyd Berry, Sr., fishing January 14th on St. Clair Flats, with a catch of four fine pike, the largest one 34½ inches long. The spearing was done in a foot and a half of water. Lloyd was using a red and white shovel-nosed wooden decoy. Everyone else was using perch for bait.

A whole houseful of children, fourteen to be exact, helped April Patchak celebrate her 6th birthday from two to four o'clock on January 20th. Birthday cake, ice cream and soft drinks were served picnic style on the floor, to everyone's delight. A rollicking good time was had by all, and April received many lovely gifts.

Arnold Stencil of Northwestern Michigan College came home Thursday to visit his parents for the weekend. Arnold's mother and brothers George and Phillip, left Sunday for Florida.

Thermometers registered from 18 to 26 below zero in the county last Friday morning.

Eight young men from Mike Hoffman's school helped Mike to celebrate his sixth birthday Saturday afternoon at the Hoffman home. The boys played several games, working up an appetite for the birthday cake and ice cream served to them afterwards by Mike's mother, Mrs. Ralph Hoffman. Mike received some very nice gifts from friends and relatives.

Mrs. Glen Fenton and daughter Peggy, and Mrs. Alfred Fennell left Sunday for Minneapolis, Minn., to enter Peggy at Humboldt Institute afterwards going on to visit Mrs. Fennell's parents in Minnesota. They are returning home this Thursday. Mrs. Fenton and Peggy visited the Ed Holtcamp family at Manistee Saturday before last.

Miss Denae McEvers was five years old January 17th. In celebration her parents, Mr. and Mrs. George McEvers, invited Mr. and Mrs. Harry McEvers, and Russell Vallad, for a birthday dinner, and Mr. and Mrs. Bernard Hall and Miss Diane Hascher in for ice cream and birthday cake in the evening. Denae received some very nice birthday presents.

### 46 Years Ago January 26, 1939

A snowstorm Saturday afternoon with flakes nearly as large as maple leaves was the most beautiful of the season. These huge flakes floated down into piles as gracefully as may be imagined.

Clarence Dixon had real fisherman's luck to

spear a pike weighing 21½ pounds, measuring 42 inches from stem to stern. It was speared at School Section lake Wednesday afternoon.

Mr. and Mrs. Albert Schreiber are happy over the arrival of a son, weighing 10 pounds, on Tuesday, January 24. The chap should be able to make entry in the Gold Gloves Boxing tournament now going on.

The weatherman has been handing out some real weather the past week, sending us plenty of snow, nipping temperatures and storms. Last Saturday about midnight a blizzard broke that lasted late into the next day, with the temperature hovering around 15 above. Wednesday was the coldest day of the winter so far, the mercury falling to 14 below. This was at 8 a.m.; at 6 a.m. it was 6 below and was the same at 6 p.m. This morning it was 4 below zero.

Perry Wells has gone to Detroit where he has accepted a position.

Nels Olson has a position with the American News Company of Los Angeles, Calif.

Miss Mary Montour of Inkster came up on the snow train from Detroit Sunday and spent the day visiting her parents, Mr. and Mrs. David Montour.

Mr. and Mrs. Carl J. Bauer and Mr. and Mrs. William Morgan of Saginaw were guests at the Schumann home over the weekend. Of course winter sports claimed a part of their interest.

### 69 Years Ago January 27, 1916

Frank Bedell of Grand Rapids arrived Tuesday to take a position at the McCullough barber shop.

Mrs. J.B. woodburn left Wednesday for Indianapolis, Ind., to spend several weeks with her son Earl and family.

I.L. Dexter of Hart, Michigan, arrived Friday to visit his daughters, Mrs. P.D. Borchers and Mrs. Lester McPeak.

Peculiar weather for January. Already we have had four thaws this month and at this writing the sleighing is gone. Within the memory of some of our oldest inhabitants never have we had these conditions before in January.

Arthur J. Robinson of Frederic and Miss Anna M. Hanson of Cheboygan were united in marriage in this city yesterday by Justice O.P. Schumann. The young couple will make their home near Frederic for the present.

Miss Elizabeth Karpus arrived Wednesday from Flint to visit her parents, Mr. and Mrs. Stephan Karpus.

Charles Douglas of Johannesburg visited relatives and friends in Lovells last week, returning home Friday. His mother, Mrs. J. Douglas, accompanied him home.

## The Bible Speaks

From Calvary Baptist Church

### SOCIAL INJUSTICE

After being mugged in 1981, Bernhard Goetz purchased a pistol for self defense. Several days ago, the self employed engineer shot four hoods on a New York subway as they attempted to rob him. Now Goetz is charged with four counts of attempted murder, and the hoods armed with sharpened screwdrivers have, to my knowledge, not been charged. A common sense of justice tells us why millions of people in New York have turned Bernhard Goetz into an instant folk hero.

Widespread public support for illegal acts against social injustice bring a clear message to the liberal humanists responsible for the confusion and destruction brought upon our society. People will only tolerate social injustice in a free society for a certain period of time. America will either have a revival of Bible Christianity and morality, or progress through liberal humanism into anarchy, and eventually into a totalitarian government. The latter course is the desire of the social scientists who wish to eventually control our minds by behavior motivation.

Common people with common sense see through the confusion and destruction brought upon our society. All absolute values have been undermined. Using semantics, liberals have altered the meaning of words which are dear and meaningful to us. It all began in liberal churches where unholy "holy" men denied the inspiration and authority of Holy Scriptures. They replaced Bible ethics and morality with situational ethics. The result was unethical ethics and immoral morality. Denying the values of the Bible, they gave us valueless values. In a desire to replace God with humanism, they declared "God Is Dead" in the theology of the 60's. Therefore, we are presented a Godless god, a loveless love, a peaceless peace, and a

hopeless hope.

By declaring 1983 the year of the Bible, and calling upon a return to constitutional government and traditional values, President Reagan is trying to return America to her foundation. As Andrew Jackson once said, "That book, sir, is the rock on which our republic rests." The father of our country, George Washington, once said, "It is impossible to rightly govern the world without God and the Bible." While no society will be free of injustice until Jesus Christ returns, most people will receive more justice from a government which believes in divine justice, than from a humanistic government which declares her own standard of justice.

## National Eye Health Care Month

Medical doctors who are ophthalmologists (eye physicians and surgeons) are observing Eye Health Care Month by urging citizens to reduce the incidence of blindness by focusing on the primary causes of unnecessary blindness. According to Raymond R. Margherio, M.D., President, Michigan Ophthalmological Society, most of the 47,000 cases of blindness each year are the result of personal failure to obtain early medical treatment for eye disease, or failure to adequately protect the eyes against accidents at work or play. Persons over 40 should have an annual eye examination by a medical eye specialist (ophthalmologist), Dr. Margherio said. Among diseases, glaucoma is the most common cause of blindness, he said, and blindness can be avoided in most cases if early diagnosis and medical treatment is obtained. "There are many myths about eye care," Dr. Margherio said, "and unfortunately too many people concentrate on meaningless ways to protect the precious gift of sight." Ophthalmologist agree that while it may be uncomfortable to read with a dim light, or in a moving vehicle, these practices do not endanger vision. Also contrary to popular belief, sunglasses do not protect the eye, nor can watching television damage the eyes.

# This Year's Elk Hunt Summarized by DNR

Lansing — The first Michigan elk hunt in 19 years proved a very successful season for 49 of the 50 participating elk hunters. Department of Natural Resources (DNR) staff, who organized the hunt, are pleased with the results.

"Judging from this year's hunt success, it's likely we'll see future elk hunts in Michigan," says DNR Director Ronald O. Skoog. "The 1984 elk hunt marked an important step in maintaining the present elk herd in better balance with its food supply and land owner interests." Adds Skoog, "Our long range goal is to maintain the herd at 800. Present DNR figures estimate the herd at 1,000."

The reintroduction of an elk hunt this year was due mainly to large concentrations of elk causing damage to crops and range in parts of Montmorency, Otsego, Cheboygan, and Presque Isle Counties, the areas designated for the hunt.

Strictly controlled elk hunts will not only maintain the elk herd at the preferred size, but also maintain elk viewing opportunities, say DNR wildlife biologists. Elk viewing is a year round recreation, especially popular in September and October when bugling bull elk compete during the Fall rut (breeding season) to attract harem of female elk.

"Only a few old elk were taken on this hunt," comments Joe Vogt, DNR wildlife biologist and coordinator of the elk hunt. "That most of the elk taken were young or prime animals is significant," he adds, "indicating the elk herd is increasing, thus enhancing the possibility of future elk hunts." The oldest elk taken this year was a 10 1/2 year old cow elk taken by Howard Hacht of West Branch.

For elk hunter Harry Hutchinson of Ypsilanti, one of the 10 hunter's choice licensees (choice of bull, cow or calf elk), the excitement of the hunt was especially overwhelming. His 15 point, 6 1/2 year old, 632 lb. (dressed weight) bull elk captured the honor of largest elk taken during the 1984 hunt.

Sharing the limelight on opening day with Hutchinson, were Michelle Cordell of Copemish and Elizabeth Brushaber of Dexter, two of the five women participating in the hunt. Both hunter's choice licensees, they each shot a 12 point bull elk, at about the same time in the same area of Otsego County.

A DNR team of wildlife biologists collected vital physical and biological information and specimens from each of the elk killed during the hunt. Information and specimens will be examined and analyzed by the DNR, the Department of Agriculture, Michigan State University (MSU), and the Bridgeport State Police Crime Lab.

The greatest concentration of elk taken was in the central portion of the 222 square mile hunt area. Thirty-two elk were taken in Montmorency County, five in Cheboygan County and 12 in Otsego County.

The firearm used most by hunters was the .30-06 caliber rifle. Only one hunter was successful in taking an elk with a muzzleloader, another hunted unsuccessfully with a bow, before resorting to a rifle to take a cow elk.

## KCC Nursing Class Places 1st

Kirtland Community College's first Associate Degree Nursing (ADN) class has placed first in the State on State Board Examinations. Kirtland's average score of 2203.5, with a zero percent failure rate, placed them higher than any other school granting a Baccalaureate or Associate degree, or diploma.

The college's Administration and Board of Trustees are proud of their students and the results of this meeting, and are appreciative of the support the local communities have shown in the implementation of this new program.

Average dressed and estimated live weights of elk for the season were: of 10 bull elk taken, average estimated live weight was 753 lbs.; average dressed weight, 502 lbs. Of 35 cow elk taken, average estimated live weight was 528 lbs.; average dressed weight, 352 lbs. Of 4 calves taken, average estimated live weight was 290 lbs.; average dressed weight, 193 lbs.

There have been only three elk hunts in Michigan's history. This year, 50 licensees were given, 49 hunters were successful, producing a 98% hunter success rate. In 1984, there were 298 hunters, 269 took an elk, indicating a 90% hunter success rate. In 1965, 298 hunters participated, of that, 183 hunters were successful, showing a 61% hunter success rate.

The overall record in Michigan for largest elk taken still remains with Gary Loeblich of Sanford. His 16 point, 565 lb. (dressed) bull elk, taken during Michigan's first elk hunt in 1964, is mounted and displayed at MSU's museum in E. Lansing.

A 558 lb. 14 point bull elk taken in 1965 by William Neuman of Saginaw during Michigan's second elk hunt,

still holds the record for widest antler spread at 43 inches. Hutchinson's elk antler spread was 33 5/8 inches; Loeblich's, 38 inches.

According to Michigan records, elk were native to Michigan's Lower Peninsula. By 1875, however, elk disappeared from the State. After many unsuccessful attempts to reintroduce elk in the early 1900's, the 1918 release of seven western Rocky Mountain elk in Cheboygan County finally proved successful, giving rise to Michigan's present herd.

Michigan's elk herd in 1925 was estimated at 200, doubling to 400 by 1939. As elk range expanded, elk numbered 1,500 in 1960. Oil exploration, poaching and development took its toll on the herd in the 1970's, with a population low of 200 head estimated in 1975.

Because of agreements and accommodations made between the DNR, oil companies, environmental groups, the legislature, and local citizens, elk have made a comeback. Intensified law enforcement has also been an important factor in the increase. In 1983, the elk herd numbered over 800 animals.

#### Mad-Cap English Family Returns

#### GHS Players To Present English Comedy Next Week

On Thursday, January 31, the Grayling High School Players will present the opening performance of their winter production in the Joseph Stripe Auditorium with curtain time being set at 8:00 p.m. For their winter production, the "Players" have selected an English comedy by Philip King entitled "Pools Paradise." Successive performances will be presented on Friday and Saturday, February 1 and 2.

For their winter production of 1981, the Grayling High School Players presented a hilarious comedy set in a small village in England entitled "See How They Run." Large audiences attended all three performances of that show and each night the cast was presented a standing ovation from the audience who had spent the last two and one-half hours howling with laughter. Highlights of the evening were the mad-cap antics of the cockney maid, the confusion of mistaken identities and a vicar who lost his clothes. Spice was added to the performance by the uppity Miss Skillon, the "old maid" of the parish.

"Pools Paradise" is set in the same small village, the same vicarage with many of the same characters. Once again, Miss Skillon will make a play for the vicar who will once again, lose his clothes. Instead of mistaken identities, there is the confusion of the switching around of a football pool coupon, one which is a winner and one which is not. Once again, the crazy antics of the maid Ida, in this show assisted by her cockney boyfriend, make certain that each member of the audience will spend a great deal of the evening in laughter.

The three evenings of "Pools Paradise" promise to be three of the most fun evenings presented in the Grayling High School Theatre this season, rivaling the notorious Rotary Minstrel Show for mad-cap comedy. Tickets are presently available from all members of the cast, from the Community School Office and from the Board of Education Offices in downtown Grayling. Tickets will also be available at the door. Don't miss this opportunity to spend an entire evening holding your sides with laughter. Make your plans now to attend this winter production by the Grayling High School Players.

### A Billion Here, A Billion There . . .

by Richard Millman

**HOW MUCH IS** a couple of billion dollars? Such figures boggle the mind.

Yet, we'll be hearing and reading a lot about billions — even trillions — if we keep in touch with the United States Congress and attempts to write a budget and handle the mounting deficit.

Last year the federal budget was something like \$850 billion. That's \$850,000,000,000 — and that's a lot of zeros. But what does it really mean?

The Office of Technology Assessment — a federal agency, of course — recently put out some figures to try to put some meaning into a study of space stations and the U.S. future in space, using \$2 billion for its illustration, because that's approximately the amount spent each year for space shuttle development.

So bear with us and grapple with some concepts from the OTA study (as reported by Associated Press).

**TWO BILLION DOLLARS** would require a stack of new \$1 bills extending 140 miles. The bills would weigh about 40 million pounds.

Two billion dollars would allow 30,000 families each to purchase a \$70,000 house for cash... \$2 billion would make a 10 percent down payment on 300,000 such houses... or it would buy every man, woman and child in Alaska a \$5,000 car (if you could find a car for \$5,000).

Two billion dollars represents the total income of the entire 15 million population in the nation of Nepal... it represents \$300 from each of seven million of the country's lowest income taxpayers... it is more than the total income of each of the nearly 20 nations of this world with populations around one million persons.

In other words, \$2 billion is a lot of money.

**BUT MONEY** is all relative.

At the same time Congress wrestles with such huge budgets, and space agencies fight for \$2 billion in federal funds, and the deficit keeps rising, keep in mind a few other facts from today's world.

Announcer Brent Mussburger signed a

new television contract worth \$10 million. Bruce Sutter is a baseball pitcher, and he signed a contract for \$10 billion. The average major league baseball player salary has risen from \$51,501 in 1976 to \$329,408 last season.

The Detroit City Council, which is forever in deep financial trouble, hired a director of transportation for \$80,000 a year. The president of the University of Michigan received a pay hike to \$107,000 a year, about what the new president of Michigan State University will receive. The president of the University of California gets \$185,000 a year, while the top man at University of Texas gets \$130,000 plus a free house. The average presidential salary at Michigan's 15 state universities and colleges is \$91,929 a year.

**WHAT TO ADVERTISE** on television? For this year's Super Bowl broadcast on ABC, advertisers will pay \$1 billion a minute to plug their products. That's gone up from the \$900,000 a minute it cost to advertise on the CBS Super Bowl telecast last year.

How about movies? Dustin Hoffman has netted an awesome \$21.5 million from one movie — "Tootsie" — which has brought in some \$175 million worldwide. It "only" cost \$30 million to make.

Political campaigning costs interest you? Special interest political action committees contributed a record \$104 million to 1984 House and Senate candidates (mostly to incumbents), and 95 candidates received \$200,000 or more from PACs. Sen. Phil Gramm of Texas got \$1.4 million from PACs, and Charles Percy received \$1.2 million from PACs in his losing effort.

In North Carolina in 1984 the race between Sen. Jesse Helms and Gov. Jim Hunt (Helms won) cost about \$25 million, with Helms spending about \$16 million and Hunt about \$9 million.

All of these figures are mind-boggling too. As the late Sen. Everett Dirksen once observed, if you take a billion here and a billion there, pretty soon you're talking about real money.

Maybe the national debt is not so high — in proportion — after all.

**FAIR DONATION** — Geri Olson, youth representative to the Crawford County Fair Board, presents a \$200 donation from the Crawford County 4-H Hoofbeats to Chef Johnston, Crawford County Fair treasurer. (Adams Photography)

## Some Social Security Benefits May Be Taxable

Detroit - If you received social security or tier 1 railroad retirement benefits in 1984, a Form 1099 will be mailed to you by January 31, 1985, according to the Internal Revenue Service. This form is similar to those sent by banks and savings and loans showing interest earned during the year.

If you received social security benefits, you will receive from Social Security Administration a Form SSA-1099, Social Security Benefit Statement. You should keep this form for your records and not attach it to your tax return. The information contained on this form includes:

Box 1 - Name of the person for whom the social security benefits shown on the statement were paid. If you received benefits for yourself, your name will be shown.

Box 2 - Social security number, if known, of the person named in box 1.

Box 3 - Total amount of social security benefits paid to you (the person named in box 1) in 1984. This figure may not agree with the amounts you actually received because adjustments may have been made to the benefits before you received them.

Box 4 - Benefits you repaid to the Social Security Administration in 1984.

Box 5 - Net amount of social security benefits paid to you for 1984. NOTE: If there are parentheses around the figure in box 5, this is a negative figure. If you received more than one Form SSA-1099 (or if you are married and will file a joint return), a negative figure from one Form 1099 is used to offset a positive figure from another Form 1099.

Enclosed with the Form SSA-1099, is the IRS Notice 703, which includes a worksheet to help you determine whether part of your benefits may be taxable.

On line A of IRS Notice 703, you should enter the amount from box 5 of all Forms SSA-1099 you received in 1984. Next, divide the amount on line A by two and enter the amount on line B. On line C, you should enter all taxable income you received in 1984. This includes wages, interest, dividends and pensions.

On line D, you should enter any tax-exempt interest (such as interest on municipal bonds) you received in 1984. Now add up the figures on lines B, C and D and enter the total amount on line E. If this total is more than the BASE AMOUNT for your filing status, some of your social security benefits may be taxable. The BASE AMOUNT is:

\$25,000, if you are single;  
\$32,000, if you are married and filing a joint return;

\$25,000, if you are married, you will not file a joint return and you did not live with your spouse at any time during the year;

Zero, if you are married and you will not file a joint return and you lived with your spouse for some part of the year.

If you are married and you and your spouse file a joint return, be sure to include in-

come and benefits paid to both of you when figuring if any of your benefits are taxable.

If any of your benefits are taxable, you MUST use Form 1040 to file your tax return. The Form 1040 instruction package has a worksheet you can use to determine the taxable amount of your benefits.

If you received tier 1 or special guaranty benefits, you will receive from the Railroad Retirement Board a Form RRB-1099, Statement of Recipients of Payments by the Railroad Retirement Board. This form contains the same type of information found on the SSA-1099. Enclosed with your Form RRB-1099 is a worksheet similar to the one included in Notice 703.

If any of your tier 1 benefits are taxable, you also must use Form 1040 to file your return.

For additional information on this subject, you can ob-

tain a free copy of IRS Publication 915, Tax Information on Social Security Benefits (and Tier 1 Railroad Retirement Benefits), by calling the IRS at 1-800-424-1040.

### State Police Dropping Efforts for Sobriety Checklanes

Warren M. Hoyt, Executive Dir., MPA

State Police Director Gerald Hough said he has shelved work on a pilot project for sobriety checklanes, which are in use in some form in 32 states.

He reported to the state Drunk Driving Task Force he was forced to that position by amendment added to two bills by the House disapproving the checklanes.

The amendments — to a bill extending the life of the task force and to a supplemental appropriations bill — are binding on the State Police's own authority to operate a checklane program, but Hough said they "convinced me that the Legislature does not wish the Michigan State Police to use temporary sobriety checklanes at this time."

He reported that he instructed the Traffic Services Division and Office of Highway Safety Planning, which were working with the University of Michigan Transportation Research Institute to develop guidelines for a checklane program, to discontinue development of an "experimental model."

The guidelines had been developed and the office was in the process of finalizing a grant to evaluate the program, officials said.

"As director for the Michigan State Police, I feel strongly that evaluation by the University of Michigan would have given all of us the necessary information to finally determine the worth of the temporary sobriety checklanes. However, I am extremely sensitive to the Michigan Legislature's concern to balance the need to protect the rights of our citizens and the need to reduce traffic fatalities.

"The Michigan State Police will not implement temporary sobriety checklanes until such time as the Legislature approves use of them as an enforcement tool," he said.

A spokesman for Governor James Blanchard said the governor hopes to work with the Legislature to reach a consensus on use of checklanes, but does have some constitutional concerns.

And Nancy Hammond, who has been following the issue for the governor, said while a consensus may not be possible, the idea of a pilot project is "still alive."

Hough said he would not approve any

plans by local police agencies to set up checklanes under a law permitting checklanes for equipment, and while some may believe they have the authority anyway, he said he hopes they would not do so.

Without the developed State Police guidelines, he said a local program may do something that courts would overrule, which could be "detrimental to the whole process."

Hough, saying he believes there is "ample evidence" sobriety checklanes have a deterrent effect on drunken driving, said he supports the concept and would support a bill in the Legislature specifically authorizing them.

A survey, recently released by the Office of Highway Safety Planning, of all the states which operate checklanes, found arrests for drunken driving generally decline. But Gary Holbenof that office said that does not necessarily mean drunken driving has declined.

Still, those programs encounter more drunken passengers and an increased number of women drivers, he said, and states consider them to be effective.

He said no state has stopped a program once it began operating sobriety checklanes.

The task force in its interim report last June recommended use of sobriety checklanes, although some critics have questioned the constitutionality of such a program.

Lee Landes of Mothers Against Drunk Drivers, who is a member of the task force, said he hopes the group will continue to work on checklanes and include such a recommendation in its final report due in September.

The task force did not reaffirm its support for the checklanes, but Landes said MADD does not want to "let this thing just drop" and will take steps to help local agencies set up such programs.

And, he said persons supporting checklanes could encourage "the legislative and executive agencies to place regard for human life and public health ahead of the commercial interests of the alcohol lobby that seem now to have forced the State Police to back down from their earlier plan to proceed with checklanes."

HELPFUL IDEAS FOR SUCCESSFUL RETIREMENT

### Retirement

Killed by retirement.  
If you saw this simple message on a grave marker you might think someone was playing a cruel joke.

The expression is heard now and then, however, when someone who has endured a long and active career takes retirement in apparently good health and dies within a few months.

The charge is false. There is nothing offensive about retirement. Nor aggressive. Retirement is what we make of it.

Adjusting to retirement can be difficult for some individuals. But it is not impossible. It can, in fact, be the beginning of an age of discovery.

The man whose career placed him in a position of high responsibility may have always felt it necessary to be

reserved and cautious in personal relationships. In retirement, he can let the barriers drop and discover the pleasures of making new friends. The woman who fashioned a successful career by leaving nothing to chance can take a fling at a hobby or vocation without fear of penalty if everything doesn't work out. Unless foolish investments are made, the major loss is time -- and there's an abundance of time in retirement.

Let's don't bad-mouth retirement. Think what a revolution might take place if suddenly there was a law requiring everyone to continue working until they were 75 years old!

If you've earned it, no one is to blame but yourself if you fail to make the most of retirement.

In regards to your article "Board Acts on State Fire Marshall Citations" in the 1-17-85 issue of the Avalanche, I have some questions:

1. Did the State Fire Marshall act on its own in inspecting the facilities of the Crawford AuSable School District?

2. Was the middle school the only facility of the school district inspected? If so, why?

3. If other facilities of the school district were inspected, why were those results not reported?

4. Does the Crawford AuSable School District have emergency plans should any other of our facilities be closed for two weeks or more?

The reason I ask these questions is that I find this article to be incomplete as regards the aforementioned

questions. Complete balanced reporting is necessary to maintain integrity and believability. I am sure that all of us who support doing something about the deplorable conditions at the middle school agree; that we cannot expect people to continually read only the comments of the Superintendent without getting the feeling that a snowjob is being laid on us. Personally, I have examined the middle school and I feel that a new school is the answer. Continuing reports such as this will not convince people to vote for a new building, it will only tell them that there is a relatively cheap, temporary way to avoid the inevitable.

I also have a question for the Board of Education. Did it take an inspection by the State Fire Marshall to get you to realize that these fire hazards existed in this building? I think some have been spending too much time dreaming or planning for a new building which, according to the voters of this district, is not in the immediate future.

One question for Superintendent Reynolds; Did the State Fire Marshall inspect the old Fred Bear Museum and the Michelson Memorial Church as temporary sites

for students?

Was the comment by Superintendent Reynolds regarding the middle school not being approved for occupancy by students unless it was already being used added as an editorial comment? Was there a reason given why it's okay to use it even though it would not be approved for a temporary site?

I hope, by this letter, I have touched upon some omissions and errors of omission that could be clarified in the future. The people of Crawford AuSable School District deserve more than what has been presented to them.

Thank you for your time.  
Sincerely,  
Robert Gingerich  
Rt. 5, Box 5260  
Grayling, Mich.

Dear Mr. Madsen,

We just wanted to tell you what a nice group of cheerleaders you have in Grayling! On Saturday, January 11, Wendy Kucharek brought four girls down to help us set up a varsity and J.V. Cheerleading squad in Marlette. Marlette has been without cheerleaders this basketball season because they couldn't find a coach. Because Dick and I really missed their support at games we decided to see what we could do.

We had absolutely no idea where to begin. Wendy offered to bring some of her girls down and help us get started. These girls willingly gave up their weekend (just before semester exams) to come help us. They arrived Saturday morning at 11:00. We had a clinic set for 12:30 to 5:00 and these girls worked hard all afternoon! They were super -- they never once complained and they willingly did anything and everything that was asked of them.

They took charge of twelve Marlette cheerleaders that they had never seen before and by 5:00 that afternoon we all knew alot more than we did at 12:30. While the girls were teaching cheers Wendy helped me set up guidelines for behavior and practice routines. She also supervised the cheers, cartwheels and jumps. Although they didn't know any of us when they arrived they made everyone feel like they were friends and my girls felt very comfortable working with them.

They spent Saturday night at our house and you couldn't find 4 nicer girls anywhere -- we loved having them! Their parents and the City of Grayling should be very proud to have people like Tina Meldrum, Kathy Golic, Andrea Bedard and Leslie Holden to represent them!!! I hope Mr. Branch realizes what an asset they are to the Grayling High School athletic department!

I'm sure the Marlette cheerleaders (and probably the junior boys, too!) will always remember the "Grayling girls" for a long time. It made me proud to tell the kids in Marlette that I am from Grayling and these are the kind of kids we have there!

Thanks again Wendy, Tina, Kathy, Andrea and Leslie -- we will always appreciate it -- especially Tuesday night!!!

Love,  
Marcia and Dick Sullivan

### Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Today is one of the occasions when I take my turn in the Contact Station (office) at the picnic area entrance. It is a beautiful day with a brilliant blue sky and bright sunshine. There is some snow still clinging to the trees that reminds me of tufts of cotton. Each time there is a gust of wind, there is a brief miniature blizzard of sifting snow.

Over the year, many people visiting the Park have remarked about the sound made by the combination of wind and pines. For some, it is a sighing sound; for many more, it is a sound similar to a river rapids. A person would think the sound of the wind in the pines, whether they are second growth or Virgin Pines, would be the same. In a way, it reminds you of moving water, but there is a difference. The wind in the big timber creates a sound that is of a deeper quality; it has a feeling of timelessness or perhaps it is a primeval thing. Old-time timber cruisers called it a sowing sound and when they were having trouble locating a remote stand of pines, they climbed the tallest tree they could find and listened.

Whatever title you apply to the sound, it is different, a sound that you must experience to really appreciate and understand.

## Resource Review

By Bruce Patrick  
Conservation Officer

Questions often arise as to the applicability of fishing regulations on private lakes. The late George M. Dahl, former Chief of the DNR Law Enforcement Division, wrote a wide ranging treatise\* on the subject of water rights, part of which follows:

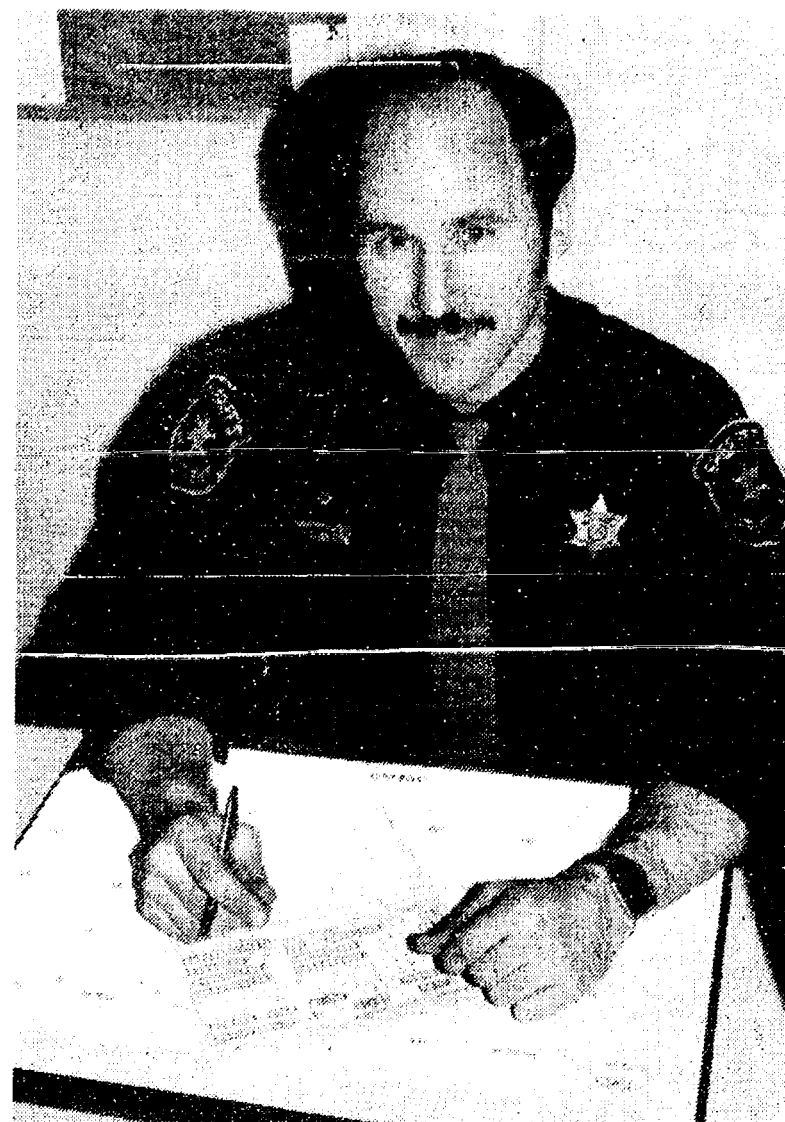

"There are two kinds of private lakes. The fish in those having connection with public water by which they can migrate...at any time of the year are the property of the state and may be taken only in accordance with law. The riparian owner may determine who shall fish but the fishing is regulated by law.

"Fish in private lakes, having no connection with public waters, are considered private property, also, and not subject to legislative regulation which prescribes methods of fishing, closed seasons, creel limits and minimum size. However, persons possessing such fish contrary to law off the premises from which taken could be subject to criminal sanction. Riparian owners may determine who shall or shall not fish in such a private lake."

In other words, if you fish a private lake which is connected to public waters by an inlet or outlet, you must obey the fishing laws. If you fish a private lake that is not connected, you are not restrained by statute until you leave the premises. At that time, fish taken contrary to law (out of season, for example) would be possessed unlawfully.

\*Public Rights on Michigan Waters, G.M. Dahl; revised 1977.

### ABWA News

A dinner meeting of the American Business Women's Association was held January 15 at England's. Mickey Perez, CPA, was the vocational speaker; she also presented an interesting program on the timely subject of taxes. Mickey's educational background and previous experience qualified her to establish an accounting business in Grayling when her husband was transferred here in 1972. The group found the discussion on income tax very informative.

Present and celebrating January birthdays were Sally Hartig and Mickey Perez. Maxine Geiss and Ruthann Friedrich were honored for perfect attendance in 1984. Betsy Bacon was installed and welcomed to membership in the organization. Five guests were present at the meeting. Jane Larson won the 50/50 drawing.

Chairpersons were selected for special committees. Pauline Petrosky will chair a Tee-fee Committee which will investigate extending ABWA to the Mio/Fairview area. Carol Miller, last year's Woman of the Year, is in charge of this year's Committee. Jane Larson is the Business Associate Night chairperson.

The golf outing will be held in June. A mini workshop, to include other ABWA chapters, was proposed. Plans were made to invite past ABWA presidents to the February meeting.

### Receives AF Promotion

David L. Mansfield, son of Richard L. and Betty M. Mansfield of 601 Peninsular, Grayling, has been specially identified for early promotion to senior airman in the U.S. Air Force.

The airman was awarded the new rating ahead of other Air Force members by a "below-the-zone" promotion board which considered job performance, military knowledge, bearing and self-improvement efforts.

Mansfield is an administration specialist with the 37th Equipment Maintenance Squadron at George Air Force Base, Calif.

His wife, Karen, is the daughter of Thomas D. and Barbara C. Hazen of Rural Route 4, Grayling.

The airman is a 1980 graduate of Grayling High School.

## Got the Chills? Be alert to "hypothermia."

For millions of Americans, the chilling winds of winter mean more than snow and icy roads. They also bring the danger of "hypothermia." That's a fancy word for the condition in which the body loses heat to a cold or cool environment faster than the heat is replaced.

Most vulnerable to hypothermia are the chronically ill, infants and the very old—in other words, those whose systems are generally not strong enough to conserve body heat when the temperature drops. If undetected, hypothermia can quickly prove fatal.

Fortunately, awareness of the condition and its symptoms plus some commonsense precautions can prevent the worst from happening.

Hypothermia means low body temperature, typically 95°F or lower. And temperatures in the immediate surroundings do not have to fall below freezing for hypothermia to occur. Even household temperatures close to 70° can lower body temperature below the normal 98.6°.

Early detection is vital.

Loss of body heat dulls the brain so that the victim is unaware of the condition and is dependent on the alertness, knowledge and action of others.

Common warning signals are:

confusion and reduced alertness; trembling on one side of the body or in one arm or leg; shivering in the early stages, but absence of shivering as the condition worsens; cold and stiff muscles, cold abdomen and back; difficulty in speaking; slow breathing; bloated face, pale and waxy skin; forgetfulness; drowsiness; unconsciousness; low body temperatures.

Anyone displaying these symptoms should be gently wrapped in a warm blanket and emergency help should be summoned immediately.

Staying warm involves more than throwing another log on the fire. To guard against hypothermia, older persons should maintain a good diet because food provides necessary fuel and heat for the body. They should also drink plenty of liquids, but refrain from alcohol, which speeds up heat loss and makes it very hard to keep warm. Rest is also important, balanced by a moderate amount of exercise.

Indoors, loosely layered, dry clothing will help trap heat around the body. Outdoors, a hat and scarf will cut down on heat loss.

Take cold weather seriously—use caution and common sense.

## Arts Council Sponsors K-12 Design Contest

The Crawford County Arts Council is sponsoring a note card design contest for students Kindergarten to 12th grade.

Four \$25 cash prizes will be awarded to the top four entries. Students can submit as many designs as they wish.

The contest begins Monday, January 21, and the deadline for entries is February 15. Details on submitting note card designs are available from elementary teachers or the art instructor, Mrs. Lynn Thompson, at the middle school or high school.

All designs submitted become the property of the arts council.

The designs will be printed on note pads and sold by the Arts Council.

## Lampe Earns GVSC Honor

Brad Lampe, of Grayling, was among three hundred sixty-eight students at Grand Valley State College named to the Dean's List for the 1984 fall semester. Students must maintain a 3.5 grade point average or higher while earning 15 or more grade point credits.

## THOUGHT FOR FOOD

by GOULD CROOK

### Green Peas in Wine Sauce

- 2 10-oz. pkgs. frozen small peas, or 2½ cups fresh young peas
- 1½ cups thinly sliced celery
- 1½ cups chicken stock or broth
- 3 tsp. cornstarch
- 1 tsp. water
- ½ cup Holland House White Cooking Wine
- 2 tbsp. butter or margarine
- ½ cup fresh mushrooms, sliced

Salt and pepper to taste  
Combine peas, celery and broth in saucepan. Cover and cook gently until peas are almost tender, 5 to 10 minutes. Make a paste of cornstarch and water. Blend with peas. Stir in wine, butter or margarine, mushrooms and salt and pepper. Continue cooking until liquid is clear and hot. Makes 4 to 6 servings.

## Cong. Schuette to Open 3 Offices

Washington - Cadillac, Owosso and Midland will be the sites of Congressman Bill Schuette's district offices, it was announced Friday.

"When people need help with their Social Security, VA Benefits, or other programs, they need it fast," said Congressman Schuette. "By opening my offices in Cadillac, Owosso, and Midland, I am trying to make it as easy as possible for people with problems to get action quickly and efficiently."

Congressman Schuette said that his three offices will be officially opened in the near future; however, the Midland office is able to handle constituent problems at this time.

"Those having trouble with farm programs, the armed forces, Social Security, veteran's benefits or other federal programs should plan to contact me directly in Cadillac, Owosso, or Midland," Congressman Schuette said. "I can't promise I will solve every single problem, but I promise to do my very best."

## CARD OF THANKS

We would like to thank everyone who helped out at the time of our daughters death. Also for all the food that was brought in and also the comforting words of Pastor Don Roberts.

Thank you,  
Mother, Dorris Williams,  
Husband Don Riness and the Children.

## Financial Aid Workshop

The Grayling High School Counseling Department will be hosting a Financial Aid Help Session on Wednesday, January 30th, at 7:00 p.m. in the High School Library. The February 15th, financial aid deadline is one of the most important steps in the college planning process. Admissions Counselor, Cliff DeNay, from North Central Michigan College will be present to explain the financial aid process and answer questions.

The State of Michigan, federal government and the various local colleges provide financial aid through completion of an application form which is similar to an income tax form. The application procedure is somewhat complicated but well worth the time and effort.

If your child is a high school senior, the workshop should help you understand how financial aid works and what steps you have to take right now to apply for assistance from many different sources. If your child is not yet a senior, you can get valuable information to help you plan ahead for financing higher education when the time comes.

For more information on the workshop, contact the Counseling Office, Grayling High School, 348-7641 extension 40.

## District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Scott Collen, 17, of Grayling, demanded preliminary examination to a charge of possession of marijuana with intent to deliver. A \$2,500 cash or surety bond was set.

Todd Peterson, 18, of Grayling, was fined \$205 or 30 days for a charge of unlawful use of marijuana. He was cited Sept. 29 by the sheriff dept.

Russ Ingersoll, 18, of Grayling, plead guilty to a charge of larceny of less than \$100 and was fined \$105 or 10 days. He was cited Nov. 18 by city police.

Christine Martin, 60, of St. Helen, was placed on six months probation for a charge of larceny of less than \$100. She was cited Nov. 12 by city police.

Kimberly Eckhardt, 18, of Grayling, was fined \$105 or 10 days for a charge of larceny of less than \$100. She was cited Nov. 17 following a citizen complaint.

Gary Pepsin, 30, of Warren, plead no contest to a charge of obtaining less than \$100 under false pretenses. He was fined \$105 or 10 days plus ordered to pay \$160 in restitution and sentenced to six months probation. He was cited July 6 following a citizen complaint.

Kimberly Neil, 20, of Houghton Lake Heights, plead guilty to a charge of disorderly person and was fined \$105 or 10 days. She was cited April 28 by city police.

## Dispositions From Circuit Court

The following appeared before the Honorable William A. Porter: Monday, January 7, 1985:

Troy Lee Mendoza of Drayton Plains, Michigan was sentenced on a charge of Assault with Intent to do Great Bodily Harm less than the Crime of Murder. He received 6 to 10 years in prison with credit for 204 days served. He was also sentenced on a Felony Firearm charge receiving 2 years in prison which must be served consecutively with and preceding any other term of imprisonment.

Probate Court waived jurisdiction in this matter when petitioned by the Prosecutor's office to have him stand trial as an adult.

This was the first time in several years that a minor has been prosecuted as an adult in Crawford County. Usually, when a minor commits a crime, it is handled through the juvenile division of Probate Court. But, considering the severity of the crime in this matter, it was found that justice would be better served by waiving jurisdiction to Circuit Court.

Norman J. Bancroft of Grayling, was sentenced on a charge of Breaking and Entering with Intent of Larceny. He received 36 months probation, 10 months in the County Jail with credit for 180 days served. He must also pay \$400.00 costs, reimburse the county for court appointed attorney fees and perform 600 hours of community service work.

## Participants In Extension Forestry Leadership Program

East Lansing - Jan Hacker, of Grayling, was recently selected to participate in a new program to develop leadership skills among leaders in the Michigan forest industry. The program is sponsored by the Michigan State University Cooperative Extension Service.

"We're at a critical stage in development of forestry in this state right now," explains Larry Tembaugh, chairperson of the MSU Department of Forestry. "One way to make sure we choose the right path is to develop the leadership skills of the people most intimately involved in forest-related industries."

Hacker, along with 22 participants, will begin an intensive, two-year course, the Leadership Dynamics Program in Forestry, on Jan. 21. The course begins with a four-day seminar in Lansing, starting that day. Other seminars are scheduled for Grand Rapids, East Lansing, and Houghton throughout 1985. During 1986, participants will focus on national issues at three seminars to be held in Washington, D.C. Their perspective on the forestry industry will be broadened to include international issues in 1987, when the group travels to Europe to visit manufacturing and production facilities and meet with European representatives of the forestry industry.

Throughout the course, prominent state, national and international leaders will share their views on leadership with the participants.

The Leadership Dynamics Program in Forestry is modeled after the highly successful Michigan Agricultural Leadership Program, also implemented by the Cooperative Extension Service at MSU. A pilot program for the forest industry, it will be viewed as a national model for other states.

7. Motion by Ashton, supported by O'Mara, to recess regular meeting and go into Public Hearing.

### PUBLIC HEARING

The purpose of this hearing is to hear and consider objections to the proposed special assessment roll for AuSable Trail Road west of Grayling.

Supervisor Stancil called the hearing to order at 8:00 p.m. Citizens present are listed in the introduction to the minutes. Correspondence objecting to the proposed road improvement was received from Norman and Shirley Schmooch.

Correspondence in support of the project was received from Walbert and Katherine Sellheim, and director of the Crawford County Transportation Authority, Dave Frederick.

Letter received from John R. Forbes, requesting full relief from special assessment based on his property concerned being landlocked, partly under water and partly swamp.

Discussion was opened. Supervisor made the following comments:

"Act 283, 1909 Para 221.20g, Sec. 20 Improvement of Road by Township; Standards; Special Assessment."

"The township may specially assess all or part of the costs of the improvements against benefitted property owners pursuant to Act No. 188 of the Public Acts of 1954, as amended, being sections 41.721 to 41.737 of the Michigan Compiled Laws."

At this point it is for us to determine whether or not Mr. Forbes will benefit from the improvement.

It is my personal feeling that Mr. Forbes will benefit from the said improvement. Further, if "full-relief" is granted to Mr. Forbes it would be unfair and unjust to not grant "full-relief" to other owners of record which have only access to AuSable Trail and whose property does not front on the roadway proper.

Based on the above mentioned reasons it is my recommendation that relief NOT be granted to Mr. Forbes."

Considerable discussion followed regarding possible alterations in the road's course.

Gloria Kraus, Grover Cason, John Keir, and Norman Parker, representing the Crawford County Road Commission, were on hand to answer questions.

A show of hands found eighteen property owners in attendance in favor of the project and two against.

Motion by Ashton, supported by O'Mara, to adjourn public hearing and return to general session. All ayes, motion carried. (9:00 p.m.)

Regular meeting re-convened at 9:10 p.m.

8. Motion by O'Mara, supported by McLachlan, to authorize supervisor to inform, in writing, John R. Forbes that his property in question will be included in the special assessment roll for AuSable Trail Road. All ayes, motion carried.

9. Motion by Ashton, supported by McLachlan, that the following resolution be adopted.

### RESOLUTION

WHEREAS, the Grayling Township Board on November 13, 1984, resolved to proceed under provisions of M.C.L. 41.721 et. seq. for certain improvements to AuSable Trail Road (Sections 1, 11, 12, T26N, R4W); and

WHEREAS, engineers plans showing such improvements as well as location and estimated costs of same have been filed with the Grayling Township Clerk; and

WHEREAS, a tentative special assessment district was established pro-rating the estimated cost among various property owners benefitted by such improvements and the same was approved by the Grayling Township Board on November 13, 1984;

WHEREAS, at a public hearing on December 11, 1984 at 8:00 p.m. in the Township office the Grayling Township Board considered objections to the proposed improvements and tentative assessment district; and

WHEREAS, following the public hearing on December 11, 1984 the Grayling Township Board resolved to approve the plans submitted for the proposed improvements and directed such improvements to be made; and

WHEREAS, the Grayling Township Board further resolved to approve the estimated cost of such improvements and directed the Supervisor to make a special assessment roll naming all owners to be assessed and the amount to be assessed each parcel and file same with the Township clerk; and

WHEREAS, the Grayling Township Board further resolved that a public hearing be held on January 8, 1985 at 8:00 p.m. in the Township office, West M-72 Plaza, to approve the assessment roll, and such public hearing was held on January 8, 1985 and objections to the proposed assessment roll were heard and considered;

NOW THEREFORE BE IT RESOLVED, that the special assessment roll prepared by the Grayling Township Supervisor for the improvement to AuSable Trail Road be, and is hereby approved and confirmed;

BE IT FURTHER RESOLVED, the Township clerk endorse on such assessment roll the date of this confirmation.

Roll call: Blaauw, aye; McLachlan, aye; O'Mara, aye; Ashton, aye; Stancil, aye, motion carried.

10. Mr. George Baldwin, of Grayling Cable Services, requests that the Township transfer and assign its franchise agreement (Ordinance No. 2-76) to Centel Cable Corporation.

Mr. Rob Royce, of Centel Cable, was present to give background of the corporation and answer questions.

Motion by McLachlan, supported by Blaauw, to adopt the following resolution, contingent upon receipt by the Supervisor of adequate proof of insurance and favorable financial report.

WHEREAS, the Township of Grayling, Michigan previously granted a cable television franchise to Grayling Cable Services, Inc. by that certain franchise agreement dated August 17, 1976, franchise being granted by virtue of Township Ordinance No. 2-76; and

Whereas, Grayling Cable has requested the Township's approval to assign said Franchise to Centel Cable Television Company of Michigan, effective on the date Grayling Cable and Centel Cable close the acquisition by Centel Cable of the assets of Grayling Cable; and

Whereas, Grayling Cable and Centel Cable have met all the prerequisites for the Township's approval of the assignment of said franchise to Centel Cable;

Now, therefore be it enacted by the Township of Grayling as follows:

The request of Grayling Cable to transfer and assign its franchise agreement with the Township of Grayling dated August 17, 1976, to Centel Cable is hereby approved. Adopted in regular session this 8th day of January 1985.

Roll call: Blaauw, aye; McLachlan, aye; O'Mara, aye; Ashton, aye; Stancil, aye, motion carried.

11. Building and Zoning Dept. report was read and placed on file.

Bob Chappel presented board members with current building permit fee schedules. These rates will be studied to see if the department is operating on a break-even basis. If not, rate changes will be considered.

12. Action on making the temporary position of assistant to the assessor a permanent full time position was deferred at the December regular meeting to January 8th.

Motion by McLachlan, supported by Blaauw, to abolish the position of assistant to the assessor. Ayes - two, nays - three, motion failed.

Motion by McLachlan, supported by Blaauw, that the Supervisor contribute approximately two days per week, as his schedule permits, to the assessing department. All ayes, motion carried.

Motion by Ashton, supported by O'Mara, to hire Curt Marshall as a permanent full time assistant to the assessor at his present rate of pay, with fringe benefits to become effective April 1, 1985.

Roll call: Blaauw, aye; McLachlan, nay; O'Mara, aye; Ashton, aye; Stancil, aye.

13. Ashton reported that the Planning Commission is working on a sign ordinance. Also, that a complaint had been filed regarding satellite dishes in the native protection strip of the Green Belt Zone.

The complaint brought about a patrol of the river from town to Wakeley Bridge by Bob Chappel, building and zoning officer, and Joe Elekonich, assessing officer. They found only one satellite dish in the native protection strip, and six other minor violations, which are being followed up. The native protection strip is a strip parallel with the water's edge and thirty feet deep, which is to be maintained in its natural state.

14. The assessing department report was read and placed on file.

Assessor, Joe Elekonich, presented board members with a feasibility study for consideration in the possible purchase of a computer for the assessing department.

On January 7, representatives of Manatron, Inc., demonstrated the Burroughs B-20 to board members and office staff. Programs included assessing, tax billing and receipting, budgetary accounting, voter registration, and word processing.

15. O'Mara suggested that the clerk provide a list of bills to be paid to each member of the board at the beginning of each meeting. All agreed this would be a helpful procedure.

16. Motion by McLachlan, supported by O'Mara, that mileage logs and monthly mileage invoices be approved by the Supervisor before being presented to the clerk for payment. All ayes, motion carried.

Motion by McLachlan, supported by O'Mara, that bills on vouchers 7521, 7522, and 7534 through 7566 in the amount of \$8,884.12 be approved for payment. Roll call: Blaauw, aye; McLachlan, aye; O'Mara, aye; Ashton, aye; Stancil, aye, motion carried.

Motion to adjourn by McLachlan, supported by O'Mara. All ayes, motion carried. (10:35 p.m.)

Respectfully submitted,  
Monica S. Ashton, Clerk

The Board reviewed the 1984 Budget revisions and voted to approve them. Commissioner Cason submitted this following Resolution, seconded by Chairman Kraus, as follows:

WHEREAS, As specified in Act 51 of Public Acts of 1951 as amended and supplemented the Board of County Road Commissions can transfer 15% of their funds between systems by resolution.

THEREFORE, BE IT RESOLVED THAT 15% be transferred from the County Road Commission Primary Road Fund to the Local Road Fund.

YEAS: Chairman Kraus, Commissioner Cason.

NAYS: None.

All voted in favor, Resolution adopted.

A review of the 1985 Budget met with the Boards approval. Andie Neilson, Chairman of Roads and Bridges, in attendance.

Engineer-Manager Keir reported to the Board that the Martindale Brine well has been under extensive repairs last week and needs replacement of the transfer pump. Also, major roof repairs in the garage will have to be performed next spring.

A synopsis of the Grayling Township Hearing regarding the paving of AuSable Trail was given to Chairman Kraus. There being no further business before the Board, a motion was made and seconded to adjourn the meeting. All voted in favor, meeting adjourned.

## Net Attack Leads Vikes Win at Gladwin

Shelly Denton led a Viking comeback against Class B Gladwin that resulted in 10-15, 15-13, 15-4 win.

Grayling was behind 8-2 in the second game after losing the first and in danger of losing the match. Denton's great net play sparked Grayling, helping to pull out the second game and overpower their opponents in the deciding game.

"We looked like two different teams out there," said coach Becky Brown. "We were a little out of synch and we took a time out when we were behind 8-2. The girls got mad then and were determined to win."

Denton was 16 for 16 on spikes and 8 to 8 on tips. Once Gladwin started sending two blockers up with her, Grayling switched off and faked to Denton while setting Dawn Phelps. Phelps ended with 14 spikes out of 17 attempts.

Denton had 13 blocks and Phelps had 10 as Grayling made their presence felt at the net. Piper Ostrowski also joined in at the net with

### Grayling BB League Results

AJD had four players in double figures as they scored a record high 64 points in a 64-21 win over Custom Forest.

Skidmore had 13, Madsen 12, White 12, Scott 11, Handrich 6, Izzard 6, Gilman 2, and Gardiner 2 for AJD, 2-0.

Morrill had 7, Aguilon 6, Burr 4, and Cottenham 4 for Custom Forest, 0-1.

Chief Shoppenagons was again behind after one quarter but went on to defeat Media Madness 53-19.

Hayes had 12, Wolcott 10, Alexander 9, Klinger 8, Ullery 6, Horton 6, and Smith 2 for Chief Shoppenagons, 2-0.

Weaver had 5, Roberts 5, Houghton 4, Bailey 2, Felix 2, and Harland 1 for Media, 0-2. Glen's used 21 points from Narlock to beat Loco Law 52-41.

Behind Narlock was Hinds with 10, Clark 6, D'Amour 6, Potter 3, Bendig 2, Hanes 2, and Ames 2 for Glen's, 1-1.

Swope had 12, M. Doremire 8, T. Doremire 7, Schreiner 6, Coors 4, and Kohner 4 for Loco Law, 1-1.

Mercy Hospital beat G.T.E. 39-25 after trailing in the second period.

Holmes had 12, Beemer 7, Schoen 7, Brunskill 5, Cook 5, and Langdon 3 for Mercy, 2-0.

Rousseau had 6, Balch 6, Trenary 4, Lobsinger 4, Hinds 3, and Winniger 2 for G.T.E., 1-1.

Free Methodist trailed Michelson Memorial going into the third quarter but rallied to win 31-27.

Smock had 12, McMillan 6, Ojala 6, J. Shepler 2, Bonamie 2, Weaver 2, and Payne 1 for Free Methodist, 1-1.

Regan had 8, Seals 6, Smith 5, Nunn 4, Wadsworth 2, and Money 2 for Michelson Memorial, 0-2.

blocks and she contributed 13 spikes in 16 attempts.

"We're really intimidating with our aggressive net play," Brown said.

Beth Bedard stepped in for an injured Denise Pittman and had a strong game setting and serving with 18 of 18 serves going in.

Denton hit 14 of 15 serves in, Phelps had 12 of 13, and Rochelle Campeau hit some key serves in the victory.

Shannon Krays was the leading setter. Brown said she did an excellent job of side and back setting in addition to covering blocks.

Lori Pfaff also had a hand in the victory with her front row play.

The J.V. squad also beat Gladwin 15-12, 13-15, 15-8. Julie Brooks and Lynda Huether led in overall play, Jamie Kaiser and Joann Halstead led in serving, Chris Schwartz led in setting, and Jill Brackenbury and Sue Casler led in defensive play.

The varsity finished third in a six-team invitational Saturday at Big Rapids. They won by forfeit over Manistee, beat Morley-Stanford 15-7 and 15-4, and lost to Freesoil 10-15, 15-3, 9-15, and 6-15 and 9-15 to Big Rapids.

Brown said Grayling is making its own mistakes and

isn't being forced into miscues.

"Offensively, we're tough. We've got to change quicker from defense to offense and we've got to cover our blocks better," Brown said.

Ostrowski led the net attack for Grayling with 33 spikes. Phelps had 23, Denton 19, and Pfaff 16. Krays and Bedard led the setting. Defensively, Denton, Krays, Phelps, and Bedard led the squad.

## Moore Earns 100th Win As GHS Matmen Split

The Grayling matmen pounded Charlevoix 66-4 and had 10th-ranked Kalkaska on the ropes before falling 42-27.

Grayling was ahead of Kalkaska 27-24 heading into the last match. Grayling had to forfeit the last two weights, 198 pounds and heavyweight, so they needed a win in the last match to stay ahead of Kalkaska.

Winning two matches in the meet with Charlevoix and Kalkaska were Bucky Monforton, at 98 pounds, Mark Lowe, at 105 pounds,

Ron Wyman, at 145 pounds, Tom Shively at 167 pounds, and Robin Monforton, at 119, and Tim Moore, at 132, won one each and both had a draw. Moore battled an undefeated wrestler from Kalkaska to a 10-10 draw.

Single match winners for Grayling were Tim Colling, 112, Fred Fisher, at 126, Ward Jones, at 138, Ricky Sprague, at 155, and Lance Davis, at 185 pounds.

At the Ithaca Invitational Saturday, GHS wrestler Tim Moore picked up his 100th victory as a varsity wrestler.

Grayling finished 6th overall in the 12-team competition. Moore took a third place with his 100th victory and improved his season record to 23-8-1.

Bucky Monforton took a second place and moved his record to 22-9. Ron Wyman also took a second and upped his season total to 11-3.

Mark Lowe took a fourth as did Lance Davis. Lowe

in slalom and 90th in giant slalom.

The girl Vikings placed 4th at Cadillac as Kris Laudenslager and Heidi Derenzy won medals for finishing in the top ten of a race.

Charlevoix won the 15-team meet followed by Cadillac, Traverse City St. Francis, and Grayling.

Top skier for Grayling was Laudenslager placing 5th in giant slalom and 21st in slalom. Cari Longworth placed 30th and 21st, Heidi Derenzy 7th in slalom and 47th in giant slalom, Carol Longworth 35th and 30th, and Julie Huss 40th and 45th. Pam Lange placed 43rd in

slalom and Heather Derenzy placed 4th in giant slalom.

"We're not sharp," coach Mike Wieland said. "The lack of good snow to work on was keeping us from running gates everyday and it shows. We should be doing much better than we are."

"The girls have won 40 races and lost 14 and the boys are 42 and 14 against competition ranging from Sault Ste. Marie to Grand Haven," Wieland said.

"We had great competition in the two large invitational meets — the large invitational is a new trend in high school skiing — and we're not getting blown away but with more snow time we could do better."

The Vikings have two home meets at Hanson Hills on Monday, Jan. 28, and Wednesday, Jan. 30.

### League Trophy Presented at BB Banquet

The Grayling High School Athletic Director, Mike Branch, was presented the Michigan Huron Shores Championship trophy by the girl varsity basketball team at their annual banquet.

The trophy will now become part of Grayling's trophy collection on display in showcases at the school.

Other awards given out at the banquet included Most Valuable Player — Kris Laudenslager, Hustle Award — Michelle Barber and Heidi Derenzy, and Most Improved — Shawn Denton and Michelle Moore.

Laudenslager also received United Press International All-State honorable mention.

## Vikings Playing Better, Dump Rogers 66-46

Led by 18 points from Gregg Burns Grayling buried Rogers City in a snowbank 66-46 as the league opponent braved cold weather and snow to travel to Grayling Friday.

Rod Patterson added 16 and Jeff Branch hit for 10 as the Vikings again had balanced scoring. Jon Nicholas contributed 8, Brad Naghtin 6, Mick Lovely 5, Ken Erb 2, and Rich Brooks 1.

Grayling out rebounded the bigger Rogers City team 43-33 with Patterson hauling down 9, Lovely 7, and Naghtin 6 rebounds.

The game was close, 12-10 after eight minutes but in the second quarter with the Vikings scored 21 to 6 for Rogers.

Coach Butch Hayes said his team showed good quickness with 25 steals and he was also pleased with a total of 20 assists.

"Our shot selection was better, we hit the boards well, and we gave the ball up quickly in moving it down-court," he said. Burns had another good game and Naghtin was a key in the middle with three blocked shots."

Although Grayling dropped a 59-57 decision to St. Ignace, Hayes was pleased his club is starting to improve. They played well against 5th-ranked Charlevoix and improved at St. Ignace.

"They hit the boards hard, hustled well — we just couldn't hit the bucket when we needed it."

St. Ignace led 20-10 after one quarter and carried the ten-point lead into the last eight minutes. With a minute to go, Grayling cut the lead to two points and they had a chance to tie with 30 seconds left but turned the ball over.

the line — only 3 for 12 in a two-point game."

Grayling traveled to Roscommon Tuesday and entertains Petoskey here Friday.

The J.V. team whipped St. Ignace 70-47 and lost to Rogers 53-46.

Against St. Ignace, Bacon scored 17, Klinger 12, McEvers 11, Palmer 10, Whaley 8, Hull 8, and Wolcott 4. Against Rogers, Klinger scored 15, Bacon 8, Palmer 6, McEvers 6, Somerville 5, Whaley 4, and Wolcott 2.

## Call It Courtesy

Pipeline right-of-ways are popular areas for motorcycles, snowmobiles, three-wheelers and other off-road vehicles. They are also popular for skiing, horseback riding and other off-the-road activities.

You should know that the cleared lane over a pipeline belongs to the owner of the land.

The landowner has granted an easement permitting the line to be built and maintained, but the strip remains private property. Persons wishing to use pipeline right-of-ways must first obtain the landowner's permission.

Call it courtesy, but it's also the law.

## Chamber Chatter

Snow, snow, beautiful snow. The magic of winter is here. Do you remember the time just before Christmas? No snow, minor Christmas spirit as we know it, then Boom!! It's been like that ever since, the heavens have opened up with gifts of snow for everyone. Now, we realize that a lot of snow isn't for everybody. We feel sorry for those elderly who must shovel their own walks, but the good part in that is that it gets one outdoors and provides exercise, which in most cases is good for you.

The beauty of the snow covered landscape is our most successful tool. People who live in Southern Michigan and upper Ohio and Indiana, look at advertising depicting folks who are having fun in the snow, either snowmobiling or skiing. They can picture themselves as being the ones having all of the fun. So the first thing they do is to plan a weekend in the North Country. Hurriedly they check the ads in the magazines and travel brochures. That's one of the reasons that the Grayling Chamber of Commerce is associated with the East Michigan Tourist Association, the Michigan Highways Information Center and the Michigan Tourist Council. These people have our advertising and brochures for distribution. Hopefully, the vacation enthusiast will pick our region and focus on the attributes of the Grayling-Crawford Area.

Next comes the mail or phone call for accommodations, snow conditions for snowmobile and skiing, extra activities such as carnivals, etc. and where. We are already prepared with this information. The staff of the Chamber checks with the lodging facilities for vacancies, checks the D.N.R. for snowmobile trail conditions, checks cross country ski areas for conditions, Hanson Hills for cross country and downhill as well as ice skating. This information we gladly furnish, encouraging the client to choose the Grayling Area. We especially promote our extra activities such as Winter Carnival this time of year - Milltown Festival in July together with the Canoe Race Marathon. We participate in out of town activities, such as parades, etc. with our beautiful float and Queen Miss Grayling.

Snow - we love you - you are an economic lifesaver. You can stay till Spring.

# CHURCH DIRECTORY

## VARIED TALENTS

They never showed this picture at Highland Church where Rhona became superintendent of the Primary Department. That, of course, was a decade later, when everyone figured Rhona had settled down.

She never did! She just learned to use constructively the varied talents and interests God had given her. And those who know her best — including her pupils — are glad Rhona is still a bit of a "cut-up". Maybe it's easier to learn vital spiritual truths from someone who might have made it in comedy.

We bring to God what we are! We serve God with the abilities and personalities we have! The spiritual needs of one and all are really the same!

## Taste Sensors

Tests show that the lobster's taste system is a million times more sensitive than a human's, says National Geographic. Lobsters use hundreds of thousands of hair-like taste sensors on their bodies and shells to detect the presence of prey dozens of feet away.

## The Importance of Volunteers

By Nancy K. Holcomb

Volunteers and the services they provide, are one of the most important and essential parts of the "care" provided at the Grayling Health Care Center.

Volunteers give of more than just their time, they freely share their talents as well as their experience with others, leaving a bit of themselves with each resident they meet.

Some volunteers may play the piano, mend clothes or read to the residents. Other volunteers may write letters, fill ice pitchers, arrange flowers or run the facility's library. Still others may visit with residents, keep a shopping cart or do office work. But whatever a volunteer chooses to do, whether to offer a kind word

or a helping hand, they are adding that "personal touch" to the lives of our residents.

Volunteers come in all ages and styles whether a "Songbird," "Milltown Musicmaker" or "Dance Club" member.

Volunteers can be men or women, high school boys or girls, with five hours a week to share with others or one hour a week to share-volunteering does not have to take a lot of time and yet is worth so much!

Each individual, whether a resident or volunteer, is special and unique with their own individual needs, interests and capabilities as is the relationship which grows between residents and volunteers, special and unique.

### Miss Grayling

(Continued from Page 1)

Galvani, Kim Kinsora, Vickie Luther, Kris Laudenslager, Barb Fitzgerald, and LeeAnn Lovell.

Co-hosting the pageant are Sandra Johnson, Miss Grand Traverse Area 1984-85, and Grayling resident Wayne Hindmarsh. Johnson will entertain during the pageant with a selection of songs.

The pageant begins at 7:30 p.m. Tickets are \$3.50 and are available from Cornell Insurance or Real Estate, Chief Shoppenagons, WQON, or WGRY and at the door Saturday night.

The new Miss Grayling will reign over the 60th Annual Grayling Winter Sports Carnival and will be introduced at the carnival kickoff dinner Thursday, Jan. 31, at the Grayling Holiday Inn. Shawn Lovell, the 1984 Miss Grayling, will crown the new queen Saturday night.

### Ostling Again On Budget Committee

Lansing - State Representative Ralph Ostling (R-Roscommon) the Republican Vice Chairman of the House of Appropriations Committee of the Michigan House of Representatives has been appointed to another term on the influential budget committee, Speaker of the House Gary Owen (D-Ypsilanti) and House Republican Leader J. Michael Busch (R-Saginaw) announced today.

Ostling, who has served on the Appropriations Committee since 1979, was pleased by his reappointment by the House leadership.

"The House Appropriations Committee and its responsibilities are among the most important in the Legislature, and it will be an honor for me to serve another term on the Committee," Ostling stated. "The region of the state which I represent, which includes the counties of Roscommon, Crawford, Antrim, Charlevoix, Oscoda and Otsego, will continue to have a strong voice in how our state tax dollars are spent."

Ostling has served in the Michigan House of Representatives since 1973.
